At all times during the Lease Term and during which Landlord or one of its affiliates owns the Parking Property, or any portion thereof, Landlord shall (A) keep and maintain in good order, condition and repair such Parking Facilities; and (B) shall manage, or shall utilize the services of a parking management company to manage, such Parking Facilities located thereon to ensure and enforce the exclusive parking rights granted to Tenant and the Tenant Parties hereby.

(b) During the first five (5) years following the Commencement Date ("**Initial Parking Term**"), Landlord shall provide the Parking Facilities to Tenant and the Tenant Parties at no charge to the Tenant or the Tenant Parties, provided that Tenant does not charge any of the Tenant Parties a fee or charge to use the Parking Facilities. At the end of the Initial Parking Term, Landlord agrees to consider a request from Tenant in its Operating Budget for Landlord to continue to provide the Parking Facilities free of charge for another five (5) year period provided that Tenant again does not charge any of the Tenant Parties a fee or charge to use the Parking Facilities. Following expiration of the Initial Parking Term and in the event that Landlord does not agree to continue to provide the Parking Facilities free of charge, Landlord shall be permitted to charge a fee to the Tenant Parties for use of the Parking Facilities, provided that such charge shall not exceed the reasonable going market rate for parking in downtown Las Vegas, Nevada.

(c) Tenant acknowledges and agrees that Landlord is developing, or causing to be developed, Union Park for other commercial, residential, and entertainment uses. Tenant hereby agrees that as construction on Union Park progresses that Landlord shall have the right to relocate the Parking Facilities to locations on Union Park other than the location identified as the Initial Parking Facilities ("**Substitute Parking Facilities**") so long as the requirements and conditions set forth in subsections (a) and (b) above are satisfied. Landlord agrees to give Tenant no less than ninety (90) days notice prior to any relocation of any Parking Facilities to Substitute Parking Facilities. Tenant acknowledges that the Substitute Parking Facilities may be in the form of surface parking, parking in a structured garage, or a combination thereof. Landlord shall use commercially reasonable efforts to provide the Substitute Parking Facilities at a location which is reasonably close in proximity to the front door of the performing arts center. Tenant agrees that such relocation may require Landlord to charge a fee to Tenant for use of the Substitute Parking Facilities, subject to the terms specified in subsection (b) above.

(d) In the event Landlord relocates City Hall to Union Park at the location currently planned for City Hall, Landlord shall make available to Tenant and the Tenant Parties the parking garage related to or on the City Hall site as Parking Facilities subject to the requirements set forth in this Section. Tenant agrees that nothing contained in this Lease or

otherwise creates any agreement or obligation whatsoever on the part of Landlord or any department, employee or agent of Landlord to construct City Hall or any other building or project within Union Park.

(e) In the event that Landlord desires to convey or lease the Parking Property, any portion thereof, or any real property on which Landlord intends that the Parking Facilities, or any portion thereof, be located, to a party other than one of Landlord's affiliates, Landlord agrees that such real property will be conveyed or leased, as applicable, subject to a covenant running with such real property requiring the transferee or tenant thereof, as applicable, to provide Tenant and the Tenant Parties with the Parking Facilities and otherwise comply with the terms and provisions of this Section 9 hereof.

9.2 Access to Parking Facilities. In addition, Landlord hereby grants to Tenant and the Tenant Parties a non-exclusive license, at no cost or expense to Tenant or any Tenant Party, to traverse Union Park in order to (a) travel between the Premises and the Parking Facilities along sidewalks and pathways and (b) to drive in, through and out of the Parking Facilities to and from any public street.

SECTION 10 TAXES

10.1 Real Property Taxes and Assessments. Tenant shall pay or cause to be paid all taxes and assessments as they come due which (i) are or may become a lien on the Premises or which are assessed against or imposed upon the Premises or (ii) are charged against trade fixtures, utility installations, furnishings, equipment or any other personal property belonging to Tenant. Tenant shall furnish Landlord with receipts (or if receipts are not immediately available, with copies of canceled checks evidencing payment with receipts to follow promptly after they become available) showing payment of such taxes and assessments at least fifteen (15) days prior to the applicable delinquency date therefor. Notwithstanding the foregoing, Tenant may in good faith, by appropriate proceedings and upon notice to Landlord, contest the validity, applicability or amount of any asserted tax or assessment so long as (a) such contest is diligently pursued, and (b) Landlord reasonably determines, in its subjective opinion, that such contest suspends the obligation to pay the tax and that nonpayment of such tax or assessment will not result in the sale, loss, forfeiture or diminution of the Premises or any part thereof or any interest of Landlord therein; provided, however, that Tenant shall promptly cause to be paid any amount adjudged by a court of competent jurisdiction to be due, with all interest, costs and penalties thereon, promptly after such judgment becomes final; and provided, further, that in any event each such contest shall be concluded, the taxes, assessments, interest, costs and penalties shall be paid prior to the date any writ or order is issued under which the Premises may be sold, lost or forfeited.

10.2 Taxes Related to Tenant Activities. Tenant shall pay when due any and all taxes, assessments or fees for which Tenant is liable and which arise directly or indirectly from Tenant's activities on the Premises. Within ten (10) business days of written demand from Landlord, Tenant shall furnish Landlord evidence satisfactory to Landlord of the timely payment of any such tax, assessment or fee.

10.3 Landlord Receives Statement or Bill. Whenever Landlord shall receive any statement or bill for any tax, payable in whole or in part by Tenant, or shall otherwise be required to make any payment on account thereof, Tenant shall pay the amount due hereunder within ten (10) business days after written demand therefor accompanied by delivery to Tenant of a copy of such tax statement.

SECTION 11 MAINTENANCE AND REPAIRS

11.1 No Landlord Repairs. Landlord shall have no responsibility or liability for failure to supply any services or maintenance or to make any repairs on the Premises. Landlord shall not be liable for any loss or damage to persons or property sustained by Tenant or other persons, which may be caused by or in connection with the Premises, or any appurtenances thereto, being out of repair or by bursting or leakage of any water, gas, sewer or steam pipe, or by theft, or by any act or neglect of any occupant of the Premises, or of any other person other than those caused by Landlord or any Landlord Party.

11.2 Tenant Repairs.

(a) Tenant shall keep and maintain in good order, condition and repair (including, without limitation, any such replacement and restoration as is required for that purpose) the Premises, every part thereof and any and all appurtenances thereto wherever located, including, without limitation, all repairs and replacements, structural and nonstructural, foreseen and unforeseen, which are necessary to maintain and preserve the Premises in good condition and operation. All repairs shall be made in accordance with all Applicable Laws, including NRS Chapter 338, promptly, efficiently, and in a good workmanlike manner. Tenant agrees to provide Landlord a schedule of regular maintenance and repair that Tenant shall undertake in connection with the Premises. Landlord shall have the right to conduct an annual inspection of the Premises to determine Tenant's compliance with this Section 11.2 and Tenant agrees to cooperate in such annual inspection.

(b) If Tenant fails to maintain or repair the Premises as required by this Lease and such failure continues for thirty (30) days after written notice thereof from Landlord to Tenant (provided, however, that if the failure complained of in such notice is of such a nature that the same can be rectified or cured, but cannot with reasonable diligence be done within said thirty (30) day period, then such failure shall be deemed to be rectified or cured if Tenant shall, within said thirty (30) day period, commence to rectify and cure the same and shall thereafter complete such rectification and cure with all due diligence but in no event later than one hundred eighty (180) days after such written notice), then Landlord may, without declaring Tenant in default of this Lease and upon ten (10) days prior notice to Tenant (except that no notice shall be required in the case of an emergency), enter the Premises and perform such maintenance or repair on behalf of Tenant. In such case, Tenant shall reimburse Landlord for all costs incurred in performing such maintenance or repair, including twenty percent (20%) of such costs for Landlord's supervision, promptly upon demand. Tenant agrees that, provided that Landlord has

followed the procedures set forth in this subsection (b) for the exercise of Landlord's right to cure Tenant's failure to maintain or repair the Premises, Landlord shall be entitled to apply any Excess Fees to pay the costs of such maintenance or repair or to reimburse Landlord for such costs incurred by Landlord.

SECTION 12 LIENS

Tenant shall pay when due all claims for labor and material furnished to the Premises. Tenant shall give Landlord at least thirty (30) days prior written notice of the commencement of any work on the Premises. Landlord may elect to record and post notices of non-responsibility on the Premises. Tenant will not permit to be created or to remain undischarged any lien, encumbrance or other charge (arising out of any work done or materials or supplies furnished by any contractor, subcontractor, mechanic, laborer or materialman or any mortgage, conditional sale, security agreement or chattel mortgage, or otherwise by or for Tenant) which might be or become a lien or encumbrance or other charge (collectively a "**Charge**") against or upon the Premises or any part thereof. If any Charge by a person engaged by Tenant or Tenant's contractor to work on the Premises shall be filed against or upon the Premises or any part thereof, Tenant shall within thirty (30) days after demand from Landlord cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise. If Tenant shall fail to cause any Charge to be discharged within the period aforesaid, then, in addition to any other right or remedy it may have, Landlord may, but shall not be obligated to, discharge the same by payment, deposit or by bonding proceedings. Any amount so paid by Landlord and all interest, costs and expenses, including reasonable attorneys' fees, incurred by Landlord in connection therewith shall constitute additional rent payable by Tenant under the Lease and shall be paid by Tenant to Landlord promptly upon demand. No work which Landlord permits Tenant to do shall be deemed to be for the immediate use and benefit of Landlord and no Charge shall be allowed against the estate, rights, title or interests of Landlord by reason of any consent given by Landlord to Tenant to do work in or about the Premises or provide materials therefor.

SECTION 13 INSURANCE

13.1 Maintain Insurance Policies. Tenant shall, at Tenant's expense, maintain in force and effect on the Premises at all times the following insurance:

(a) Insurance against loss or damage to the Premises by fire, windstorm, tornado and hail and against loss and damage by such other, further and additional risks as may be now or hereafter embraced by an "all-risk" or "special form" form of insurance policy. The amount of such insurance shall be not less than one hundred percent (100%) of the full replacement cost (insurable value) of the Premises (as established by an MAI appraisal), without reduction for depreciation. The full replacement cost shall be determined annually upon renewal of the insurance policy to ensure compliance with the foregoing requirement throughout the term of the Lease. Absent such annual adjustment, each policy shall contain such terms as are

necessary to insure that the policy limit will be increased over time to reflect the effect of inflation. Full replacement cost, as used herein, means, with respect to the Premises, the cost of replacing the Premises without regard to deduction for depreciation, exclusive of the cost of excavations, foundations and footings below the lowest basement floor. Tenant shall also maintain insurance against loss or damage to furniture, furnishings, fixtures, equipment and other items (whether personalty or fixtures) included in the Premises and owned by Tenant from time to time, to the extent applicable, in the amount of the cost of replacing the same, in each case, with such coverage as is necessary to insure that the amount will be increased over time to reflect the effect of inflation, or annual valuation. Each policy or policies shall contain a replacement cost endorsement and either an agreed amount endorsement (to avoid the operation of any co-insurance provisions) or a waiver of any co-insurance provisions, all subject to Landlord's approval. The maximum deductible shall be \$100,000.00 or such other amount that is acceptable to Landlord based on its assessment of market conditions as the same shall apply to properties similar to the Premises.

(b) Commercial general liability insurance against claims for personal injury, bodily injury, death and Premises damage occurring on, in or about the Premises in amounts not less than \$2,000,000.00 per occurrence and \$2,000,000.00 in the aggregate plus umbrella coverage in an amount not less than \$2,000,000.00. During any construction on the Premises, Tenant's general contractor for such construction shall also provide the insurance required in this subsection (b). Landlord hereby retains the right to periodically review the amount of said liability insurance being maintained by Tenant and to require an increase in the amount of said liability insurance should Landlord deem an increase to be reasonably prudent under then existing circumstances.

(c) Boiler and machinery insurance is required if steam boilers or other pressure-fired vessels are in operation at the Premises. Minimum liability coverage per accident must equal the greater of the replacement cost (insurable value) of the Premises housing such boiler or pressure-fired machinery or \$2,000,000.00. If one or more HVAC units that serve(s) all or a material part of the Premises is in operation at the Premises, "Systems Breakdowns" coverage shall be required, as determined by Landlord. Minimum liability coverage per accident must equal the value of such unit(s).

(d) If the Premises or any part thereof are situated in an area now or subsequently designated by the Federal Emergency Management Agency ("FEMA") as a special flood hazard area (Zone A or Zone V), flood insurance in an amount equal to the lesser of: (i) the minimum amount required, under the terms of coverage, to compensate for any damage or loss on a replacement basis or (ii) the maximum insurance available under the appropriate National Flood Insurance Administration program. The maximum deductible shall be \$100,000.00 per building or a higher minimum amount as required by FEMA or other applicable law.

(e) During the period of any construction, renovation or alteration of the Premises which exceeds \$50,000.00, at Landlord's request, a completed value, "All Risk" Builder's Risk form, or "Course of Construction" insurance policy in non-reporting form with

replacement cost and no co-insurance, in an amount approved by Landlord, may be required. During the period of any construction of any addition to the existing Premises, a completed value, "All Risk" Builder's Risk form or "Course of Construction" insurance policy in non-reporting form, in an amount approved by Landlord, shall be required.

(f) When required by applicable law, ordinance or other regulation, Worker's Compensation and Employer's Liability Insurance covering all persons subject to the workers' compensation laws of the state in which the Premises is located.

(g) Such other insurance on the Premises or on any replacements or substitutions thereof or additions thereto as may from time to time be required by Landlord against other insurable hazards, casualties or matters, but only to the extent such matters at the time are commonly insured against in the case of Premises similarly situated, including, without limitation, earthquake and law and ordinance insurance, due regard being given to the height and type of buildings, their construction, location, use and occupancy.

(h) All such insurance shall (i) be with insurers fully licensed and authorized to do business in Nevada and which insurers, unless otherwise approved in writing by Landlord, shall have and maintain a rating of at least "BBB" or higher from Standard & Poor's Rating Services, a division of The McGraw Hill Companies; (ii) contain the complete address of the Premises (or a complete legal description); (iii) be for terms of at least one year with premium prepaid; (iv) be subject to the approval of Landlord as to insurance companies, amounts, content, forms of policies, method by which premiums are paid and expiration dates; (v) contain deductibles which do not exceed \$100,000.00 or an amount subject to Landlord's approval (except that the deductible with respect to the policy described in clause (d) above, shall not exceed \$100,000.00 or a higher minimum amount as required by FEMA or other applicable law); and (vi) include a standard, non-contributory, Landlord clause naming: Landlord as an additional insured under all liability insurance policies and as the owner of the Premises on all Premises insurance policies.

13.2 Certificates of Insurance. Insurance required to be maintained by Tenant hereunder shall be in companies duly authorized to do business in Nevada holding a "General Policyholders' Rating" of "A" or better and a "financial rating" of 10 or better, as set forth in the most current issue of "Best's Insurance Guide," or such comparable ratings as Landlord shall approve, in its sole discretion. A certificate issued by the insurance carrier for each policy of insurance required to be maintained by Tenant hereunder shall be delivered to Landlord and all other named insureds on or before the Commencement Date and thereafter, as to policy renewals, within thirty (30) days prior to the expiration of the term of each such policy. Each certificate of insurance required to be maintained by Tenant hereunder shall be in form and substance reasonably satisfactory to Landlord and shall expressly evidence insurance coverage as required by this Lease and shall contain an endorsement or provision requiring not less than thirty (30) days' prior written notice to Landlord of such cancellation. Any proposed diminution in the perils insured against, or reduction of the amount of coverage of the particular policy in question, initiated by the insurer or Tenant shall require not less than thirty (30) days prior written notice to

Landlord. If Tenant fails to maintain any insurance coverage as required by this Lease, Landlord may, without declaring Tenant in default of this Lease, procure any such insurance coverage. In such case, Tenant shall reimburse Landlord within thirty (30) days of demand for all costs incurred in obtaining such insurance. Tenant agrees that Landlord shall be entitled to apply any Excess Fees to pay the costs of procuring such insurance coverage in the event Tenant fails to reimburse Landlord within such thirty (30) day period.

13.3 Waiver of Rights of Recovery. Tenant hereby waives any and all rights of recovery from Landlord, its stockholders, directors, officers, partners, managers, members, agents and employees for any loss or damage, including, without limitation, consequential loss or damage, caused by any peril or perils (including negligent acts) enumerated in each form of property insurance policy required to be maintained by Tenant hereunder.

13.4 Waiver of Subrogation. Provided it does not violate any Applicable Laws or regulations or jeopardize Tenant's insurance coverage(s), each policy of property insurance (and to the extent obtainable with respect to public liability insurance) provided for in this Section shall contain an express waiver of any and all rights of subrogation thereunder whatsoever against both Landlord and Tenant, and their stockholders, directors, officers, partners, members, managers, agents and employees. All such policies carried by Tenant shall be written as primary policies and not contributing with or in excess of the coverage, if any, which Landlord may carry. Anything contained herein to the contrary notwithstanding the amounts of all insurance required hereunder to be paid by Landlord or Tenant shall be not less than an amount sufficient to prevent the applicable party from becoming a co-insurer.

13.5 No Prohibited Items or Use. Tenant agrees that it will not keep, use, sell or offer for sale in or upon the Premises any article or permit any activity which may be prohibited by any standard form of insurance policy or conduct or permit the conduct of any use which violates the terms and conditions of any insurance policy required to be maintained pursuant to this Lease.

SECTION 14

DESTRUCTION OF PREMISES; CONDEMNATION

14.1 Minor Damage. Should the Premises or any portion thereof be damaged or destroyed by any cause whatsoever ("**Damaged**") which Damage is assessed in an amount less than One Million Dollars (\$1,000,000) ("**Minor Damage**"), Tenant shall provide Landlord with prompt written notice of the same and shall promptly repair, reconstruct and restore (collectively, "**Repair**") such Minor Damage to the Premises in accordance with the terms of this Lease and Applicable Laws including, but not limited to, NRS Chapter 338. Tenant may, without the prior written consent of Landlord, settle, compromise or adjust or apply any insurance or other claim so long as the amount of the claim (but not the settlement or compromise thereof) is less than \$1,000,000. Landlord and Tenant agree that any insurance proceeds payable in connection with Minor Damage shall be payable directly to Tenant to be used for such Repair and Landlord shall have no claim whatsoever to such proceeds. All repair undertaken by Tenant shall be in compliance with Section 12 hereof.

14.2 Major Damage.

(a) Should the Premises or any portion thereof be Damaged which Damage is assessed in an amount of One Million Dollars (\$1,000,000) or more ("**Major Damage**"), Tenant shall provide Landlord with prompt written notice and, subject to the provisions of this Section 14.2, promptly Repair such Major Damage to the Premises in accordance with the terms of this Lease and Applicable Laws including, but not limited to, NRS Chapter 338. In the event that the amount of the claim (but not the settlement or compromise thereof) is \$1,000,000 or more, Tenant may not settle, compromise or adjust or apply any insurance or other claim without Landlord's prior written consent, which consent shall not be unreasonably withheld. Upon the occurrence and during the continuation of a Tenant Event of Default, Landlord shall have the sole right to settle, compromise or adjust any insurance or other claim related to Major Damage of the Premises in such manner as Landlord may determine, and for this purpose, Landlord may, in its own name or in the name of Tenant, take such action as Landlord deems appropriate.

(b) Landlord and Tenant agree that any insurance proceeds payable in connection with Major Damage to the Premises shall be payable directly to Landlord to be used pursuant to and in accordance with this Section 14.2. Subject to the satisfaction or waiver of the Restoration Conditions, Landlord shall disburse such insurance proceeds to Tenant as necessary to pay for the Repair of the Major Damage to the Premises on a monthly construction draw basis with a ten percent (10%) retention which retention will be disbursed to Tenant upon presentation to Landlord that such Repair has been completed on a lien free basis. For purposes of this Section 14(b), the term "**Restoration Conditions**" means: (i) Tenant shall have delivered written notice to Landlord of its intention to commence Repair of the Major Damage to the Premises within sixty (60) days from the date that Landlord provides Tenant with notice that the condition in subsection (ii) below has been satisfied; (ii) all insurance proceeds shall have been deposited with Landlord; (iii) Tenant shall have deposited with Landlord in the form of cash, letter of credit or other assets approved by Landlord the amount necessary, if any, to pay the difference between the cost of such Repair for the Premises and the amount of such insurance proceeds; (iv) Tenant shall have delivered to Landlord a budget of all costs of such Repair for the Premises which budget is reasonably acceptable to Landlord; and (v) Landlord and all applicable governmental agencies shall have approved the final plans and specifications for such Repair of the Premises, which approval by Landlord shall not be unreasonably withheld.

(c) In the event that following any Major Damage to the Premises, the Restoration Conditions are not satisfied within eighteen (18) months of the occurrence of such Major Damage, then either Tenant or Landlord shall have the right to terminate this Lease upon written notice to the other. In the event that this Lease is terminated pursuant to this Section, the insurance proceeds obtained as a result of such Major Damage shall be distributed as follows: (i) first, to satisfy and fully discharge any Bonds then outstanding; (ii) second, to repay any of Tenant's donors who require repayment in the event that the performing arts center is not operational; (iii) third, to pay for the costs of demolition of the buildings located on the Premises;

and (iv) lastly, to Landlord and Tenant in proportion to their respective contributions to the Construction Fund (as defined in the Design and Construction Agreement).

(d) Except as set forth in this Section 14.2, Tenant agrees that Landlord shall have no obligation or liability whatsoever to Repair any Damage whatsoever to the Premises.

14.3 Condemnation. Should the whole or any part of the Premises be condemned or taken by a competent condemning authority for any public or quasi-public purpose, Tenant and Landlord shall each be entitled to seek recovery of condemnation proceeds for their respective interests in the Premises, and any fixtures, equipment, or personal property that is taken by the condemning authority. For purposes of this Section 14.3, a deed granted in lieu of condemnation shall be deemed a taking. If the whole of the Premises be condemned or taken, then this Lease shall terminate upon the taking of physical occupancy by the condemning authority. If a part of the Premises is taken which materially interferes with Tenant's use of the Premises, Tenant shall have the option to terminate this Lease by notifying Landlord of such election in writing within sixty (60) days after such taking. In no event shall a taking terminate this Lease without such notification. If such partial taking does not result in termination of this Lease, this Lease shall continue in full force and effect.

SECTION 15 INDEMNIFICATION AND LANDLORD EXEMPTION

15.1 Indemnification and Exemption of Landlord from Liability.

(a) Tenant shall indemnify and hold harmless Landlord and all agents, servants and employees of Landlord (collectively, the "**Landlord Parties**") from and against all claims, losses, damages, expenses (including reasonable attorneys' fees), penalties and charges (collectively the "**Losses**") arising from or in connection with any of the following during the Lease Term (i) Tenant's use of the Premises, or (ii) the conduct of Tenant's business, or (iii) any activity, work or things done, permitted or suffered by Tenant in or about the Premises. Tenant shall further indemnify and hold harmless Landlord from and against any and all Losses arising from any default in the performance of any obligation on Tenant's part to be performed under the terms of this Lease, or arising from any negligence of Tenant, or any of Tenant's agents, contractors, or employees during the Lease Term, and from and against all Losses incurred in the defense of any such claim or any action or proceeding brought thereon. If any action or proceeding be brought against Landlord by reason of any such claim, Tenant, upon notice from Landlord, shall defend the same at Tenant's expense by legal counsel reasonably satisfactory to Landlord. Tenant, as a material part of its consideration to Landlord, hereby assumes all risk of damage to property or injury to persons in or upon the Premises arising from any cause during the Lease Term and Tenant hereby waives all claims in respect thereof against Landlord. Tenant's indemnity is not intended to nor shall it relieve any insurance carrier of its obligations under policies required to be carried by Tenant pursuant to the provisions of this Lease. Tenant's obligations under this Section 15.1(a) shall survive any termination of this Lease.

(b) The Landlord Parties shall not be liable for any and all Losses arising from or in connection with any damage or injury to the person, business (or any loss of income therefrom), goods, wares, merchandise or other property of Tenant, Tenant's employees, invitees, customers, or any other person in or about the Premises, or any other person claiming under Tenant whether such damage or injury is caused by or results from: (a) fire, steam, electricity, water, gas or rain; (b) the breakage, leakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning or lighting fixtures or any other cause; (c) the failure, delay or diminution in the quality or quantity of any utilities or services supplied to the Premises, (d) inconvenience or annoyance arising from the necessity of repairing any portion of the Premises; (e) the interruption for any reason in the use of the Premises; (f) the destruction of the Premises; or (g) any conditions arising in or about the Premises, or from other sources or places, nor shall any of the same be construed as an eviction of Tenant, nor work an abatement of Rent, nor relieve Tenant from any obligation under this Lease. Without limiting the foregoing, the Landlord Parties shall not be liable for any and all claims, losses, damages, expenses, penalties and charges arising from or in connection with the following: (i) any defect or shortcoming in or failure of plumbing, heating or air conditioning or ventilation systems, elevators, electric wiring or installation thereof, water pipes, stairs, railings or walks; (ii) any equipment or appurtenances becoming out of repair; (iii) the bursting, leaking or running of any tubing, radiant panel, fire sprinkler system, electric fixture, valve, fitting, tank, washstand, water closet, waste pipe, drain or other pipe or tank or any other water and/or moisture related release and/or condition and all consequences and/or conditions relating from same, upon or about the Premises; (iv) the backing up of any sewer pipe or downspout; (v) the escape of steam, hot or cold water; (vi) water, snow or ice being upon or coming through the roof of the Premises or any other place upon or near the Premises; (vii) the failing of any fixture, brick, plaster or stucco; (viii) broken glass; (ix) any act or omission of cotenants or other occupants of the Premises or (x) any act or omission of parties other than Landlord the Landlord Parties nor, unless otherwise permitted under this Lease, work an abatement of Rent, nor relieve Tenant from any obligation under this Lease. Landlord shall not be liable for any such damage or injury even though the cause of or the means of repairing such damage or injury are not accessible to Tenant. Tenant shall have no rights whatsoever to offset or deduct against any Rent or any other sums due Landlord under the Lease for any reason whatsoever, including Landlord's default, nor shall Tenant have any rights at any time to cure any defaults of the Landlord under this Lease.

15.2 Indemnity Limitation. Notwithstanding anything in this Lease to the contrary, Landlord shall be liable for, and Tenant shall not be obligated to indemnify and hold the Landlord Parties harmless from and against, any Losses arising from or in connection with any of the foregoing arising prior to the Commencement Date or by reason of any act, omission or negligence of the Landlord Parties.

15.3 Landlord Indemnification Obligations. Tenant and its officers, managers, directors, shareholders, members, agents, servants and employees (collectively, the "**Tenant Indemnified Parties**") shall not be liable for, and Landlord shall indemnify and hold the Tenant Indemnified Parties harmless from and against, any claims, losses, damages, expenses (including reasonable attorneys' fees), penalties and charges arising from or in connection with any act,

omission or negligence of Landlord. The Parties hereto understand and agree that neither this Section nor any other provision of this Lease shall constitute a waiver by Landlord of any protection it has against liabilities or damages or any limitations thereon under Chapter 41 of NRS or other protections or limitations that arise by virtue of Landlord's status as a political subdivision of the States of Nevada, and that Landlord's indemnifications hereunder are limited by and subject to Chapter 41 of NRS. If any action or proceeding be brought against any of the Tenant Parties by reason of any such claim, Landlord, upon notice from Tenant, shall defend the same at Landlord's expense. Tenant shall have the right to select independent counsel to defend Tenant pursuant to this Section 15.3 provided that such independent counsel is approved by Landlord (which approval shall not be unreasonably withheld) and that Tenant pays all costs and fees of such independent counsel. Landlord's obligations under this Section 15.3 shall survive any termination of this Lease.

SECTION 16 ASSIGNMENT AND SUBLETTING

16.1 With Respect to Tenant. Tenant shall not assign, transfer or sublet this Lease nor the leasehold estate hereby created or any interest herein, or license the use of all or any portion of the Premises, whether by assignment, mortgage, sublease, license, transfer, operation of law, without the prior express written consent of the Landlord, which consent shall not be unreasonably withheld. Upon any valid assignment of this Lease, Tenant shall be relieved of all obligations accruing from the effective date of the assignment. No sublease shall affect Tenant's obligation to perform its agreements hereunder.

16.2 With Respect to Landlord. During the term of this Lease, Landlord shall not sell, mortgage, pledge, hypothecate, encumber or otherwise transfer, assign or dispose of all or any part of the Premises, this Lease or any interest in the Premises or this Lease.

SECTION 17 PROHIBITION OF LEASEHOLD ENCUMBRANCES

Tenant shall not in anyway pledge or encumber any or part of its interest in this Lease without the prior written consent of Landlord which consent may be granted or withheld at Landlord's sole discretion.

SECTION 18 ESTOPPEL CERTIFICATE

Tenant shall, without charge, within ten (10) business days of any demand therefor by Landlord, execute and deliver to Landlord and/or Landlord's designee a recordable certificate stating that this Lease is in full force and effect, such defenses or offsets as are claimed by Tenant, if any, the date to which all rentals have been paid, and such other information as reasonably and customarily contained in a commercial estoppel certificate concerning this Lease, the Premises and Tenant as Landlord or said designee may request. In the event that Tenant fails

to execute and/or deliver any such certificate or offset statement to Landlord within said ten (10) business days, Tenant hereby appoints Landlord and its permitted successors and assigns, as attorney-in-fact of Tenant irrevocably to execute and deliver any and all such documents for and on behalf of Tenant. Similarly, Landlord shall, without charge, within ten (10) business days of any demand therefor by Tenant, execute and deliver to Tenant and/or Tenant's designee a recordable certificate stating that this Lease is in full force and effect, such defenses or offsets as are claimed by Landlord, if any, the date to which all rentals have been paid, and such other information as reasonably and customarily contained in a commercial estoppel certificate concerning the Lease, the Premises and Landlord as Tenant and/or said designee may request. In the event that Landlord fails to execute and/or deliver any such certificate or offset statement to Tenant within said ten (10) business days, Landlord hereby appoints Tenant, its successors and assigns, as attorney-in-fact of Landlord irrevocably to execute and deliver any and all such documents for and on behalf of Landlord.

SECTION 19 DEFAULT

19.1 Tenant's Default. Each of the following events shall be deemed to be events of default by Tenant under this Lease (collectively, "**Tenant Events of Default**"):

- (a) Tenant fails to pay when or before due any sum of money required to be paid by Tenant under this Lease and such failure continues for thirty (30) days after written notice thereof from Landlord;
- (b) Except as provided in paragraph (c) next below, Tenant fails to perform or comply with any other term, covenant or condition of this Lease on the part of Tenant to be kept and performed and such default continues for thirty (30) days after written notice thereof from Landlord to Tenant; provided, however, that if the failure complained of in such notice is of such a nature that the same can be rectified or cured, but cannot with reasonable diligence be done within said thirty (30) day period, then such failure shall be deemed to be rectified or cured if Tenant shall, within said thirty (30) day period, commence to rectify and cure the same and shall thereafter complete such rectification and cure with all due diligence but in no event later than one hundred eighty (180) days after such written notice;
- (c) Tenant violates the covenant and restriction set forth in Section 5.2 hereof and such violation continues for more than five (5) days after written notice from Landlord;
- (d) Tenant makes a representation or warranty in this Lease, or in any certificate, demand, or request made under this Lease, that proves to be incorrect, at any time during the Lease Term, in any material respect;

(e) There is filed any petition in bankruptcy by or against Tenant, which petition is not dismissed within ninety (90) days of its filing, or there is appointed a receiver or trustee to take possession of Tenant or of all or substantially all of the assets of Tenant, or there is a general assignment by Tenant for the benefit of creditors, or any action is taken by or against Tenant under any state or federal insolvency or bankruptcy act, or any similar law now or hereafter in effect, including, without limitation, the filing of execution or attachment against Tenant and such levy continues in effect for a period of sixty (60) calendar days; and

(f) If Tenant abandons or vacates the Premises for thirty (30) consecutive days or fails to operate the Premises for ninety (90) consecutive days.

19.2 Landlord's Remedies. Upon the occurrence of any Tenant Event of Default, Landlord shall, in addition to any other rights or remedies provided for herein or at law or in equity, have the option to pursue any one or more of the following remedies without notice or demand whatsoever:

(a) Terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Tenant shall immediately surrender possession of the Premises to Landlord, or, if permitted by Applicable Law, Landlord shall have the right to effect a lock out of Tenant from the Premises, in which event Tenant hereby releases Landlord from any and all damages including but not limited to damages related to interruption of Tenant's business.

(b) Pursuant to its rights of re-entry, Landlord may, but shall not be obligated to (i) remove all persons from the Premises, and (ii) enforce any rights Landlord may have against said Premises or store any personal property remaining in the Premises in any warehouse or elsewhere at the cost and for the account of Tenant. Tenant agrees to hold Landlord free and harmless of any liability whatsoever for the removal and/or storage of any such Premises, whether of Tenant or any third party whomsoever;

(c) Landlord may, without being obligated and without waiving the Tenant Event of Default, cure the Tenant Event of Default, whereupon Tenant shall pay to Landlord, upon demand, all costs, expenses, and disbursements incurred by Landlord to cure the Tenant Event of Default. Landlord shall be permitted to offset said costs, expenses, and disbursements incurred by Landlord against any amounts due or becoming due by Landlord to Tenant under this Lease;

(d) In addition to any other remedies it may have, in the event of a violation of Section 5.2 by Tenant which remains uncured after five (5) days of Landlord's written notice to Tenant thereof, Tenant shall be liable to Landlord for any damages Landlord incurs as a result of such violation which amounts shall be payable by Tenant to Landlord within thirty (30) days from Landlord's written demand therefor; and

(e) In addition, Landlord shall have all other remedies available to Landlord, including, without limitation, the right to enjoin any violation of Section 5.2 above.

19.3 Termination Requires Specific Notice. Anything contained herein to the contrary notwithstanding, Landlord shall not be deemed to have terminated this Lease or the liability of Tenant to pay any Rent or other sum of money accruing hereunder, by any re-entry pursuant to Sections 19.2(a) and 19.2(b), or by any action in unlawful detainer or otherwise to obtain possession of the Premises, unless Landlord shall specifically notify Tenant in writing that it has so elected to terminate this Lease.

19.4 Remedies Cumulative. The various rights, options, elections and remedies of Landlord contained in this Lease shall be cumulative and no one of them shall be construed as exclusive of any other, or of any right, priority or remedy allowed or provided for by law or in equity.

19.5 No Waiver. The waiver by Landlord of any breach of this Lease by Tenant shall not be a waiver of any preceding or subsequent breach of this Lease by Tenant. The subsequent acceptance of Rent or any other payment hereunder by Landlord shall not be construed to be a waiver of any preceding breach of this Lease by Tenant. No payment by Tenant or receipt by Landlord of a lesser amount than the Rent herein provided shall be deemed to be other than on account of the earliest Rent due and payable hereunder.

19.6 Legal Proceedings. Tenant shall reimburse Landlord, upon demand, for any costs or expenses incurred by Landlord in connection with (i) any breach or default of Tenant under this Lease, whether or not suit is commenced or judgment entered or (ii) necessary to protect Landlord's interest under this Lease in a bankruptcy proceeding, or other proceeding under Title 11 of the United States Code, as amended. Such costs shall include legal fees and costs incurred for the negotiation of a settlement, enforcement of rights or otherwise. Furthermore, if any action for breach of or to enforce the provisions of this Lease is commenced, the court in such action shall award to the party in whose favor a judgment is entered, a reasonable sum as attorneys' fees and costs. Such attorneys' fees and costs shall be paid by the losing party in such action.

SECTION 20 LANDLORD'S DEFAULT

20.1 Landlord's Default. Each of the following events shall be deemed to be events of default by Landlord under this Lease (collectively, "**Landlord Events of Default**");

(a) Landlord fails to pay when or before due any sum of money required to be paid by Landlord under this Lease and such failure continues for thirty (30) days after written notice thereof from Tenant;

(b) Landlord shall fail to perform or comply with any other term, covenant or condition of this Lease on the part of Landlord to be kept and performed and such failure

continues for thirty (30) days after written notice thereof from Tenant to Landlord; provided, however, that if the failure complained of in such notice is of such a nature that the same can be rectified or cured, but cannot with reasonable diligence be done within said thirty (30) day period, then such failure shall be deemed to be rectified or cured if Landlord shall, within said thirty (30) day period, commence to rectify and cure the same and shall thereafter complete such rectification and cure with all due diligence;

(c) Landlord makes a representation or warranty in this Lease, or in any certificate, demand, or request made under this Lease, that proves to be incorrect, at any time during the Lease Term, in any material respect; and

(d) Landlord is in breach of or in default under the Bonds and/or any Bond documents in connection therewith and failed to cure such breach or default within any applicable cure period provided therein.

20.2 Tenant's Remedies. Upon the occurrence of any Landlord Event of Default, Tenant shall, in addition to any other rights or remedies provided for herein or at law or in equity, have the option to pursue any one or more of the following remedies without notice or demand whatsoever:

(a) Tenant may, at its election, terminate this Lease by providing notice thereof to Landlord; and

(b) Tenant may, without being obligated and without waiving the default, cure the default, whereupon Landlord shall pay to Tenant, upon demand, all costs, expenses, and disbursements incurred by Tenant to cure the default. Tenant shall be permitted to offset said costs, expenses, and disbursements incurred by Tenant against any amounts due or becoming due by Tenant to Landlord under this Lease.

SECTION 21 QUIET ENJOYMENT

Tenant, upon paying the rentals and other payments herein required and upon performance of all of the terms, covenants and conditions of this Lease on its part to be kept, may quietly have, hold and enjoy the Premises during the Lease Term without any disturbance from Landlord or from any other person claiming through Landlord, except as expressly provided otherwise in this Lease.

SECTION 22 RIGHT OF LANDLORD TO CONVEY PREMISES TO TENANT

22.1 Right of Landlord to Convey Premises to Tenant. Tenant agrees that, following the satisfaction and full discharge of the Bonds, Landlord, in Landlord's sole and absolute discretion, shall have the right to convey to Tenant all of Landlord's right title and interest in the

Premises in consideration of \$1.00. In the event Landlord desires to exercise its right to convey the Premises to Tenant, Landlord shall give Tenant ninety (90) days written notice of its intent to convey the Premises to Tenant. To be effective, such notice shall be accompanied by a current title report on the Premises, together with a legible copy of every document shown as an exception or requirement thereto. Tenant shall have the right to review and approve such title report and exceptions during such 90-day period provided that (i) such approval shall not be unreasonably withheld (if Tenant's disapproval is based on a monetary encumbrance not created by Tenant or as a result of Tenant's actions, such disapproval shall be deemed reasonable); and (ii) Tenant shall not have the right to disapprove of any title matters created by Tenant or resulting from Tenant's actions. If Tenant notifies Landlord that it approves of the status of title during such 90-day period, Landlord shall promptly convey the Premises to Tenant by the execution and recordation of a customary grant, bargain and sale deed (the "**Deed**") and the execution and delivery to Tenant of such bills of sale and other transfer documents as may be reasonably required by Tenant to transfer the Premises to Tenant (collectively with the Deed, the "**Transfer Documents**"). Upon the recordation of the Deed and the delivery to Tenant of the other Transfer Documents, this Lease shall automatically terminate and be of no further force and effect, provided, however, that the following shall survive any such termination of the Lease: (a) any and all indemnity obligations set forth in Sections 5.4 and 15 of this Lease in connection with anything occurring prior to the termination of the Lease; (b) Landlord's obligations to provide Tenant with the use of parking facilities and access thereto pursuant to and in accordance with Section 9 of this Lease; and (c) all of Tenant's and Landlord's other rights and obligations set forth in Sections 4.2, 6.3(b), 6.4, 6.5 and 9 of this Lease. Upon the request of Tenant, Landlord shall, concurrently with the execution and delivery to Tenant of the Transfer Documents, enter into a separate agreement in recordable form with Tenant stating the rights and obligations set forth above which are to survive any termination of this Lease pursuant to this Section. Such separate agreement may be recorded against the real property on which the Parking Facilities or Substitute Parking Facilities, as applicable, are located provided that City is the owner of such real property. Landlord agrees that such conveyance shall be at no expense to Tenant including recording fees, conveyance taxes and other transfer charges.

SECTION 23

REPRESENTATIONS AND WARRANTIES

23.1 Landlord's Representations and Warranties. In addition to any other representations and warranties made by Landlord herein, Landlord hereby represents and warrants to Tenant, which representations and warranties are continuing in nature and shall survive throughout the Lease Term, as follows:

(a) There are no pending or, to the best of Landlord's knowledge, threatened actions, suits, condemnation or other proceedings before or by any judicial body or any Governmental Authority against or affecting the Premises;

(b) Landlord has the full authority and power to execute this Lease. This Lease has been duly executed and delivered by Landlord and constitutes the valid and legally binding obligation of Landlord, enforceable in accordance with its terms, except as the enforceability hereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and general principles of equity.

(c) Landlord possesses good and marketable fee simple title to the Premises;

(d) Neither the execution or delivery of this Lease, nor the consummation of the transaction contemplated hereby, will: (i) violate any Applicable Law, injunction, judgment, order, decree, ruling, charge or other restriction of any authority to which Landlord or the Premises is subject; (ii) violate any provision of Landlord's charter documents, as amended; or (iii) conflict with, result in a breach of, constitute a default under, result in the acceleration of, give any person the right to accelerate, terminate, modify or cancel, or require any notice under, any agreement, license, permit, authorization, instrument or other arrangement to which Landlord is a party or by which it is bound or which any of its assets are subject (or result in the imposition or any lien upon any of its assets).

(e) Landlord has not received any written notice nor does it have any knowledge of or intent to levy any special assessment, impose any utility connection moratorium or rezone the Premises.

(f) No consent, approval, order or authorization of, or registration, qualification, designation, declaration or filing with, any Governmental Authority or third person on the part of Landlord is required in connection with Landlord's execution and delivery of this Lease and the performance of its obligations hereunder.

(g) There are no unrecorded contracts, leases, easements or other agreements, or claim of any third party, affecting the use, title, occupancy or development of the Premises, and no person, firm or entity has any right of first refusal, option or other right to acquire all or any part of the Premises.

23.2 Tenant's Representations and Warranties. In addition to any other representations and warranties made by Tenant herein, Tenant hereby represents and warrants to Landlord, which representations and warranties are continuing in nature and shall survive throughout the Lease Term, as follows:

(a) Tenant is a nonprofit corporation validly existing under the laws of the State of Nevada and is an organization described in Section 501(c)(3) or Section 509(a) of the Tax Code.

(b) Tenant has the full authority and power to execute this Lease. This Lease has been duly executed and delivered by Tenant and constitutes the valid and legally binding obligation of Tenant, enforceable in accordance with its terms, except as the enforceability hereof

may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and general principles of equity.

(c) Neither the execution or delivery of this Lease, nor the consummation of the transaction contemplated hereby, will: (i) violate any Applicable Law, injunction, judgment, order, decree, ruling, charge or other restriction of any authority to which Tenant is subject; (ii) violate any provision of Tenant's articles of incorporation or bylaws, as amended; or (iii) conflict with, result in a breach of, constitute a default under, result in the acceleration of, give any person the right to accelerate, terminate, modify or cancel, or require any notice under, any agreement, license, permit, authorization, instrument or other arrangement to which Tenant is a party or by which it is bound or which any of its assets are subject (or result in the imposition or any lien upon any of its assets).

SECTION 24 MISCELLANEOUS

24.1 Non-Discrimination. Tenant promises, and it is a condition to the continuance of this Lease, that there will be no discrimination against, or segregation of, any person or group of persons on the basis of race, color, sex, creed, national origin or ancestry in the leasing, subleasing, transferring, occupancy, tenure or use of the Premises or any portion thereof.

24.2 Force Majeure. Neither party shall be in breach of this Lease if it fails to perform as required hereunder due to labor disputes, civil commotion, war, warlike operation, terrorist acts, sabotage, governmental regulations or control, fire or other casualty, inability to obtain any materials, or other causes beyond such party's reasonable control (financial inability excepted); provided, however, that nothing contained herein shall excuse Tenant from the prompt payment of any Rent or charge required of Tenant hereunder.

24.3 Notices. Any and all notices and demands required or desired to be given hereunder shall be in writing and shall be validly given or made (and effective) if served personally, delivered by a nationally recognized overnight courier service, or faxed and deposited in the United States mail, certified or registered, postage prepaid, return receipt requested, to the following addresses:

No supplement, modification, waiver or termination of this Lease shall be binding unless executed in writing by the party to be bound. No waiver of any of the provisions of this Lease shall be deemed or shall constitute a waiver of any other provisions, whether or not similar, nor shall such waiver constitute a continuing waiver unless otherwise expressly provided.

24.8 No Partnership or Joint Venture. Nothing contained herein shall be deemed to create any partnership, joint venture, agency or other relationship between Landlord and Tenant other than the relationship of landlord and tenant.

24.9 Captions. The captions are descriptive only and for convenience in reference to this Lease and in no way whatsoever define, limit or describe the scope or intent of this Lease nor in any way affect this Lease.

24.10 Governing Law; Venue; Waiver of Jury Trial. The laws of the State of Nevada shall govern the validity, construction, performance and effect of this Lease, without giving effect to its conflict of law provisions. Each party hereto consents to, and waives any objection to, Clark County, Nevada as the proper and exclusive venue for any disputes arising out of or relating to this Lease or any alleged breach thereof. Landlord and Tenant hereby waive trial by jury in any action, proceeding or counterclaim brought by either of them against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Premises, and/or any claim of injury or damage.

24.11 Recordation. This Lease shall not be recorded. 24.15 No Brokers. Landlord and Tenant each represent and warrant to the other that they have not entered into any written contractual arrangement with, or promised to pay any

broker's fee, finder's fee, commission or other similar compensation to, or otherwise agreed to compensate, any real estate agent or broker in connection with this Lease. Landlord and Tenant each agree to indemnify, defend, save and hold the other harmless from and against all Losses incurred by reason of the breach of the foregoing representation and warranty arising from any claim for compensation founded upon or as a result of acts asserted to have been performed on their respective behalf. Such indemnification obligations shall survive any termination of the Lease.

24.16 Counterparts. The delivery of facsimile copies of any parties' signature hereon, or on any other agreement or instrument to be delivered in connection herewith shall be valid and binding for all purposes. This Lease may be executed in counterparts, each of which executed counterparts shall be deemed an original, but which, together, shall constitute one and the same instrument. Development Declaration and Parking Agreement

THIS DEVELOPMENT DECLARATION AND PARKING AGREEMENT ("Development Declaration"), made this ____ day of _____, 200_, by CITY PARKWAY V, INC., a Nevada not-for profit corporation ("Declarant"), AND LAS VEGAS PERFORMING ARTS CENTER FOUNDATION, a Nevada not-for profit corporation ("Purchaser"), is made with reference to the following facts:

R E C I T A L S

1. Concurrently with the original Recordation of this Development Declaration, Declarant is conveying as gift to Purchaser the real property described on Attachment "A" hereto (the "Property") situated in the City of Las Vegas, Nevada.

2. The Property is part of a larger parcel of real property known as Union Park, a mixed use master planned community, the boundaries of which are described on Attachment "C" hereto ("Union Park"). Declarant, together with certain affiliates of Declarant, is the master developer of Union Park. Among the distinguishing characteristics of Union Park are the clear delineation of land use areas throughout the community, together with the strict exercise of architectural and occupancy controls over individual construction and development projects, so as to ensure the harmonious growth and development of Union Park and the maximization of the value of Declarant's remaining land holdings. It is vitally important to Declarant that the intensity of development in Union Park be limited on certain parcels of property (including the Property). Should the development limitations imposed by Declarant be exceeded, Union Park and its planned development could be negatively impacted. Such conditions could in turn adversely affect the ability of Declarant to develop its remaining affected land holdings within Union Park.

3. The Property is to be used exclusively for the construction, development and operation of a _____ (the "Project"), all as more particularly described on the Conceptual Development Plan attached hereto as Attachment "D."

4. In connection with its acquisition of the Property, Purchaser has represented to Declarant that it is acquiring the Property to develop the same in accordance with certain covenants, conditions, restrictions, reservations and limitations more particularly set forth below (for convenience herein, collectively referred to as the "Restrictions"), and Declarant is gifting the Property to Purchaser on the basis of Purchaser's continuing compliance with such Restrictions. Purchaser acknowledges, among other things, that: (i) the gift of the Property to Purchaser for no consideration reflects the limitations on use referred to above and (ii) without certain transfer, use and development restrictions set forth below and hereby agreed to be reasonable, the Property or an interest in Purchaser could be sold by Purchaser for an immediate gain prior to fulfilling certain express requirements of Purchaser and contrary to the express intent of the parties hereto.

5. But for the representations made by Purchaser with respect to development of the Project, and Purchaser's unique skills, expertise and suitability in development, construction and operation of similar projects, Declarant would not have gifted the Property to Purchaser; instead, Declarant either would have sold the Property to another party willing to conform to the Restrictions or would have retained the Property itself for development in a manner consistent with its long-range master planning program and thereby retained the benefits of ownership,

including future appreciation in value of the Property. Declarant agreed to sell the Property to Purchaser, pursuant to the terms of the Purchase Agreement, in reliance on Purchaser's representation that it will develop the Property as represented herein, and, if Purchaser should change the use of the Property, Declarant will be substantially and irreparably damaged.

6. This Development Declaration is made in order to promote the purposes set forth in these Recitals, and the parties intend that the Restrictions, and all other declarations supplemental hereto, will be understood and construed in furtherance of said purposes.

Now, Therefore, in consideration of the foregoing, and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged by Purchaser, the parties hereto agree as follows:

If Owner fails to commence such repair work within five (5) business days after receipt of such notice and diligently prosecute the same to its completion, then Declarant shall have the right to make such repairs, and Owner shall, upon demand, reimburse Declarant for Declarant's expenses incurred in repairing and restoring such right-of-way or improvement. Developer agrees that such relocation may require CPY to charge a fee to Developer for use of the Substitute Parking Facilities, subject to the terms specified in subsection (b) above.

Developer agrees that nothing contained in this Agreement or otherwise creates any agreement or obligation whatsoever on the part of the City or any department, employee or agent of the City to construct City Hall or any other building or project within Union Park.

(e) In the event that CPY desires to convey the real property to a party other than CPY or one of its affiliates on which CPY intends that the Parking Facilities, or any portion thereof, are to be located, CPY agrees that such real property will be conveyed with a covenant running with title to such real property requiring such party to provide

- 3.11.5 The following criteria shall be deemed minimum landscape maintenance standards:
 - (1) All planting areas shall be kept reasonably free of leaves and debris.
 - (2) Lawns and ground cover shall be mowed and/or trimmed regularly.
 - (3) All plantings shall be kept in a healthy and growing condition. Fertilization, cultivation, weeding, spraying, trimming

- (b) Cleaning, maintenance, and relamping of any external lighting fixtures, except such fixtures as may be the property of any public utility or government body.

4.4 Remedies for Failure to Maintain and Repair.

- (a) Remedies. If any Owner shall fail to perform the maintenance and repair required by this Development Declaration, then Declarant, after fifteen days prior written notice to such delinquent Owner, shall have the right, not the obligation, to perform such maintenance and repair and to charge the delinquent Owner with costs of such work, together with interest thereon at the Default Rate from the date of performance of such work to the date of reimbursement of Declarant by Owner; provided, however, that in the event that such maintenance and repair cannot reasonably be accomplished within such fifteen (15) day period, Owner shall have a reasonable time period thereafter to perform such maintenance and repair provided that Owner commences the same within the fifteen (15) day period and diligently prosecutes the maintenance and repair to completion. If the delinquent Owner shall fail to reimburse Declarant for all such costs reasonably incurred within ten (10) days after demand therefor, Declarant may, at any time within ninety (90) days after such advance, file for Record in the Office of the County Recorder of Clark County, Nevada, a claim of lien signed by Declarant for

the amount of such charge together with interest thereon; provided, Declarant shall give the Owner ten (10) days advance notice and opportunity to cure prior to filing such claim of lien. The lien created by this Section shall be effective to establish a lien against the interest of the delinquent Owner in the Property together with interest at the Default Rate on the amount of such advance from the date thereof, in addition to Recording fees, cost of title search obtained in connection with such lien or the foreclosure thereof, and court costs and reasonable attorney's fees that may be incurred in the enforcement of such a lien.

- (b) Foreclosure of Lien. Such a lien as described in subsection (a) above, when so established against the Property described in said claim, shall be prior or superior to any right, title, interest, lien, or claim that may be or may have been acquired in or attached to the real property interests subject to the lien subsequent to the time of filing such claim for Record. Such lien shall be for the benefit of Declarant and may be enforced and foreclosed in a like manner as a real estate mortgage is foreclosed in the State of Nevada.
- (c) Cure. If a default for which a notice of claim of lien was filed is cured, Declarant shall file or Record a rescission of such notice, upon payment by the defaulting Owner of the costs of preparing and filing or Recording such rescission, and other reasonable costs, interest, or fees that have been incurred.
- (d) Nonexclusive Remedy. The foregoing lien and the rights to foreclose thereunder shall be in addition to, and not in substitution for, all other rights and remedies that any party may have hereunder and by law, including any suit to recover a money judgment for unpaid assessments.

4.5 Construction Regulations and Restrictions.

- (a) All building exteriors shall be maintained at all times in a neat, orderly and weatherproof manner, including, without limitation, periodic painting if painting is customary with respect to the exterior construction materials employed for such building. The periodic painting shall be the same color originally approved by Declarant. Any change in color shall require the approval of Declarant.
- (b) All hardscape, including but not limited to the Easement Area, paved areas, parking lots, sidewalks, curbs and gutters shall be maintained at all times in a neat, orderly and weatherproof manner.

Article 5. Regulation of Operations and Uses.

5.1 Permitted Uses. The Property at all times shall be used, developed, maintained and operated solely as the Permitted Use.

5.2 Nuisances. No nuisance shall be permitted to exist or operate upon any portion of the Property so as to be offensive or detrimental to any adjacent property or to its Occupants. Without limiting the foregoing, the violation of any of the following provisions shall be deemed a "nuisance":

- (a) No use, excluding reasonable construction and maintenance activity, of the Property that emits dust, sweepings, dirt, or cinders into the atmosphere, or discharges liquid, solid wastes, or other matter into any stream, river, or other

waterway that, in the opinion of Declarant, may adversely affect the health, safety, comfort of, or intended use of their property by persons within the area shall be permitted. No waste nor any substance or materials of any kind shall be discharged into any public sewer serving the Property or any part thereof in violation of any regulation of any public body having jurisdiction over such public sewer.

- 3.11.6 No escape or discharge of any fumes, odors, gases, vapors, steam, acids, or other substance into the atmosphere, which discharge, in the reasonable opinion of Declarant, may be detrimental to the health, safety or welfare of any person or may interfere with the comfort of persons within the area or may be harmful to property or vegetation shall be permitted.
- 3.11.7 Any operation producing intense glare or heat, atomic, electromagnetic, microwave, ultrasonic, laser, or other radiation shall be performed only within an enclosed or screened area and then only in such manner that the glare, heat, or radiation emitted will not be discernible from any point exterior to the Property.
- 3.11.8 Buildings and other structures shall be constructed and machinery and equipment installed and insulated on the Property so that the ground vibration inherently and recurrently generated is not perceptible without instruments at any point exterior to the Property.
- 3.11.9 No rubbish, trash, waste, residue, brush, weeds or undergrowth or debris of any kind or character shall ever be placed or permitted to accumulate upon the Property or any portion thereof, so as to render said premises a fire hazard, unsanitary, unsightly, offensive, or detrimental to any Person or activity on any other adjacent property or on any public street.
- 3.11.10 No building or other Improvement shall be permitted to fall into disrepair and all buildings and other Improvements shall at all times be kept in good condition and repair (including, without limitation, free of the presence of wood-destroying pests and organisms) and adequately painted or otherwise finished. Any and all exterior repairs, redecorations, modifications or additions shall be made in accordance with, and shall be subject to, this Development Declaration and all applicable statutes, ordinances and governmental regulations. In the event any such exterior repairs, redecorations, modifications or additions would cause a material change in the appearance of the Project, they must first be approved in writing by Declarant.
- 3.11.11 No condition shall be permitted to exist upon the Property which shall induce, breed or harbor infectious plant diseases or noxious insects.
- 3.11.12 No Owner or Occupant shall in any way alter the natural or established drainage of water over the Property from adjoining or other property, nor shall any Owner or Occupant in any way interfere with the natural or established drainage of water from the Property so as to cause or permit water to drain onto, over or under any adjoining or other property except in accordance with a drainage plan approved by Declarant. If it is necessary to change the natural or established drainage flow over the Property, then the Owner or Occupant of the Property shall adequately provide for proper drainage, and such changes shall be approved in writing by the Declarant. For the purposes hereof, "natural" drainage is defined as the drainage which would naturally occur at the time the overall approved grading plan of the Property has been completed by Declarant. For the purposes hereof, "established" drainage is defined as the drainage which occurred or

which would occur at the time the overall grading of the Property, including the finish grading of the Property, was completed.

3.11.13 No adverse environmental condition shall be permitted to exist on the Property, nor shall any toxic or hazardous wastes be permitted to be generated, treated, stored, disposed of, or otherwise deposited in or on or allowed to emanate from the Property or any portion of the Property, including, without limitation, the surface waters and subsurface waters thereof; provided, however, that hazardous substances may be stored or used so long as such storage and use is conducted in compliance with all applicable laws, statutes, ordinances, rules and regulations of any city, county, state or federal governmental or public body.

3.11.14 No Owner or Occupant shall permit anything to be done or kept on the Property that violates any applicable law, statute, rule or regulation of any city, county, state or federal governmental or public body.

5.3 Subdivision. No Owner shall affect any change or amendment to any parcel or final map covering the Property or Record any further parcel or final map of the Property or any portion thereof or facilities thereon, pursuant to Nevada Revised Statutes, Chapter 278, or any similar statute hereafter enacted, and any local ordinances adopted pursuant thereto, nor shall an Owner file any applications with any governmental agency with respect to any of the foregoing matters, unless expressly approved by Declarant, which approval may be granted or withheld by Declarant in its sole discretion.

5.4 Zoning. Owner shall not use or develop or attempt to use or develop the Property or any portion thereof for any purpose other than those purposes expressly allowed (without the benefit of a zone variance, conditional or special use permit, exception or other special administrative procedure) under the zoning ordinances of the City of Las Vegas. All development within the Property shall be subject to all such zoning ordinances and regulations applicable to, and in effect at the time of, such development, except where more restrictive requirements are imposed by this Development Declaration. Development and ownership of the Property shall further be subject, as applicable, to future land use and environmental matters affecting the Property. Owner shall not change or attempt any change in zoning, or obtain or apply for a zoning variance or exception or other similar approval with respect to the use or development of the Property or any portion thereof not expressly allowed under such existing zoning, unless expressly approved by Declarant, which approval may be granted or withheld by Declarant in its sole discretion.

5.5 Mineral Exploration. No portion of the Property shall be used in any manner to explore for or to remove any water, steam, heat, oil, gas or other hydrocarbons, gravel, earth, or any earth substances or other minerals of any kind, provided, however, that this shall not prevent the excavation of earth in connection with the grading or construction of Improvements within the Property. No tools or equipment and no derrick or other structure designed for use in boring for water, steam, heat, oil, gas or other subterranean minerals or other substances, or designed for use in any mining operation or exploration, shall be erected or placed upon or adjacent to the Property.

5.6 Servicemarks. Owner acknowledges that Declarant has the sole right to the "Union Park" tradename, trademark, servicemark and logo (collectively, the "Servicemarks"). Owner covenants and agrees that it shall not use, nor permit other Occupants to use, in any manner whatsoever the Servicemarks or the name "Union Park."

5.7 Waste or Nuisance. No Owner shall commit or suffer to be committed any waste upon the Property or Improvements or any nuisance which may disturb the quiet enjoyment of

any other owner or occupant of land in Union Park, and shall not conduct its business so as to impair, in Declarant's sole but reasonable opinion, the reputation of Union Park. In particular, without limiting the generality of the foregoing, Owner shall not use or permit to be used any medium that might in Declarant's reasonable judgment constitute a nuisance such as loud speakers, sound amplifiers, phonographs, radios, televisions, or any other sound-producing or other device which will carry sound or odors outside the Property reasonably objectionable to Declarant.

Article 6. Enforcement of Restrictions.

6.1 General Purpose and Constructive Notice. The Restrictions shall run and pass with each and every portion of the Property and be binding upon Purchaser, its successors and assigns. Except as specifically set forth herein, the Restrictions shall remain in full force and effect for the entire term of this Development Declaration, notwithstanding Declarant's exercise of any right or remedy herein due to a previous or repeated violation of any one or more of the Restrictions. Every person or entity who now or hereafter owns or acquires any right, title or interest in or to any portion of the Property is and shall be conclusively deemed to have consented and agreed to every Restriction, provision, covenant, condition, right and limitation contained herein, whether or not any reference to this Development Declaration is contained in the instrument by which such person acquired an interest in the Property.

6.2 Enforcement. The Restrictions shall benefit the Benefited Property and be enforceable solely by Declarant, subject to Declarant's right to assign pursuant to Article 12, notwithstanding any transfers of the Benefited Property or any portion thereof by Declarant. Declarant shall have the right to enforce, by proceedings at law or in equity, all Restrictions, now or hereafter imposed by the provisions of this Development Declaration or any amendment hereto, including the right to prevent the violation of any such Restrictions, and the right to recover damages or other amounts due for such violation. The Owner of the Property shall be primarily liable and the Occupant, if any, secondarily liable for the violation or breach of any covenant, condition, or Restriction herein contained.

6.3 Rights are Cumulative. All rights, options, and remedies of Declarant under this Development Declaration are cumulative, and except as may be explicitly provided herein, no one of them shall be exclusive of any other, and Declarant shall have the right to pursue any one or all of such rights, options, and remedies or any other remedy or relief which may be provided by law or in equity, whether or not stated in this Development Declaration.

6.4 Default and General Remedies. In the event of any breach, violation or failure to perform or satisfy any of the Restrictions, which has not been cured within the period set forth below, Declarant at its sole option and discretion may enforce any one or more of the remedies described below or any other rights or remedies to which Declarant may be entitled by law or equity, whether or not set forth herein. Unless a cure period is otherwise specifically designated herein, such cure period shall commence when written notice is given to Owner of a violation hereunder and shall end ten (10) days thereafter in the case of a monetary default and thirty (30) days thereafter in the case of a non-monetary default; provided that if a non-monetary default is not reasonably susceptible of cure within such 30-day period, then Owner shall have a reasonable time to cure same so long as Owner has commenced such cure promptly and thereafter diligently prosecutes the cure to completion.

- (a) Abatement and Lien. Any breach or violation of the Restrictions or any provision this Development Declaration is hereby declared to be a nuisance, and if not cured or corrected by the Owner within thirty (30) days after receipt of written notice from Declarant, Declarant shall be entitled to enter the Property and summarily abate and remove, without further legal process to the maximum extent permitted by law, any Improvement, structure, thing or condition that may

exist in violation of any of the Restrictions, or to prosecute any remedy allowed by law or equity for the abatement of such nuisance against any person or entity acting or failing to act in violation of the Restrictions provided, however, that in the event that the cure of any such violation or breach cannot reasonably be accomplished within such thirty (30) day period, Owner or Occupant in question shall have a reasonable time period thereafter to cure provided that such cure is commenced within the thirty (30) day period and thereafter diligently prosecuted to completion. No such entry by Declarant or its agents shall be deemed a trespass, and neither Declarant nor its agents shall be subject to liability to the Owner or Occupant of the Property for such entry and any action taken to remedy or remove a violation.

Any costs or expenses paid or incurred by Declarant in abating such nuisance or prosecuting any such remedy (including all reasonable attorneys' fees and costs of collection), together with interest thereon at the Default Rate, shall be a charge against the Property, shall be a continuing lien thereon until paid if Declarant Records a notice of same within ninety (90) days after any such advance with the Office of the County Recorder of Clark County, Nevada, and shall also be the personal obligation of Owner or other person who was owner of the Property when such charges became due and who committed such breach or violation.

- (b) Damages. Declarant may bring a suit for damages for any compensable breach of or noncompliance with any of the Restrictions, or declaratory relief to determine the enforceability of any of the Restrictions.
- (c) Equity. It is recognized that a particular or ongoing violation by Owner of one or more of the foregoing Restrictions may cause Declarant to suffer material injury or damage not compensable in money (including, but not limited to irreparable effects on the type and quality of development on the Benefitted Property or portions thereof), and that Declarant shall be entitled to bring an action in equity or otherwise for specific performance to enforce compliance with the Restrictions or an injunction to enjoin the continuance of any such breach or violation thereof, whether or not Declarant exercises any other remedy set forth herein.

6.5 Right of Entry. During reasonable hours and upon reasonable notice, Declarant, or its agents, shall have the right to enter upon and inspect any portion of the Property and the Improvements thereon covered by this Development Declaration for the purpose of ascertaining whether or not the provisions of this Development Declaration have been or are being complied with, and neither Declarant nor its agents shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

6.6 Violation Deemed to Constitute a Nuisance. The result of every act or omission whereby any covenant, condition, or Restriction herein contained is violated in whole or in part is hereby declared to be and to constitute a nuisance, and every remedy allowed by law or in equity against an Owner or Occupant either public or private shall be applicable against every such result and may be exercised by Declarant.

6.7 Attorney's Fees. In any legal or equitable proceeding for the enforcement of this Development Declaration or any provision hereof, whether it be an action for damages, declaratory relief, or injunctive relief, or any other action, the losing party or parties shall pay the attorney's fees of the prevailing party or parties, in such reasonable amount as shall be fixed by the court in such proceedings or in a separate action brought for that purpose. The prevailing party shall be entitled to said attorney's fees even though said proceeding is settled prior to judgment.

6.8 Failure to Enforce Is No Waiver. The failure of Declarant to enforce any requirement, Restriction, or standard herein contained shall in no event be deemed to be a waiver of the right to do so thereafter or in other cases nor of the right to enforce any other Restriction.

6.9 General Purpose and Constructive Notice. The Restrictions shall run and pass with each and every portion of the Property and be binding upon Owner, its successors and assigns, and shall benefit other land owned by Declarant and located in Clark County, Nevada, more particularly described in Attachment "B" hereto (hereinafter referred to as the "Benefitted Property") and be enforceable solely by Declarant notwithstanding any transfers of the Benefitted Property or any portion thereof by Declarant. Every person or entity who now or hereafter owns or acquires any right, title or interest in or to any portion of the Property is and shall be conclusively deemed to have consented and agreed to every Restriction, provision, covenant, condition, right and limitation contained herein, whether or not any reference to this Development Declaration is contained in the instrument by which such person acquired an interest in the Property. Declarant or its authorized representatives may from time to time, at any reasonable hours, enter upon and inspect the Property, site or any portion thereof or improvements thereon to ascertain compliance with the Restrictions, but without obligation to do so or liability therefor.

Article 7. Completion and Occupancy of Project; Environmental Management Plan.

7.1 Project Development. Declarant has a substantial interest in the expeditious development of the Project due to its impact on the value of the surrounding land and on Declarant's reputation as the master developer of Union Park. Therefore, the parties agree that the occurrence of any of the following events shall constitute a default hereunder and a breach of the Restrictions, which shall entitle Declarant to exercise any of the rights and remedies set forth below.

- (a) Project Design. If Owner fails to design the Project within the time limits set forth in the Development Schedule or design the Project not in compliance with the Development Plan.
- (b) Commencement Requirement. If Owner shall fail to achieve Construction Commencement of the Project, pursuant to the Development Plan on or before the date set forth in the Development Schedule (the "Construction Commencement Deadline"). The Construction Commencement Deadline shall be extended for such period of time as construction commencement is prevented or delayed due to strikes, lockouts, acts or omissions of government agencies, acts of God, wars, riots, civil insurrection or abnormal force of elements or other matters beyond Owner's reasonable control; provided, that in no event shall any extension of time be effective unless Owner delivers to Declarant within 5 days following an event giving rise to such an extension, a written notice setting forth the facts giving rise to each such extension; and provided further, that the period of time for exercise of Declarant's rights herein shall be commensurately extended.
- (c) Completion Requirement. If Owner shall fail to Substantially Complete the Project in compliance with all applicable governmental laws, ordinances, regulations on or before on or before the date set forth in the Development Schedule (the "Construction Completion Deadline"). The Construction Completion Deadline shall be extended for such period of time as construction Completion is prevented or delayed due to strikes, lockouts, acts or omissions of government agencies, acts of God, wars, riots, civil insurrection or abnormal force of elements or other matters beyond Owner's reasonable control; provided, that in

no event shall any extension of time be effective unless Owner delivers to Declarant within 5 days following an event giving rise to such an extension, a written notice setting forth the facts giving rise to each such extension; and provided further, that the period of time for exercise of Declarant's rights herein shall be commensurately extended.

7.2 Environmental Management Plan. Attached as Exhibit "E" is a plan for the management of the environmental remediation of the Property. Declarant agrees to perform the CPY Obligations set forth in the environmental exhibit. Owner agrees that the CPY obligations are the sole and exclusive obligations of CPY in connection with the Property and that CPY shall have no further obligations in connection with the construction and operation of the Project.

Article 8. Violation of Purchaser's Use Covenant.

8.1 Payment of Market Value. In the sole option and discretion of Declarant, Declarant may elect for any violation of the Permitted Use or Prohibited Use Restrictions set forth in Section 5.1, not cured within the time set forth above, as Declarant's exclusive remedy and in lieu of any remedies permitted by Article 10 (Reconveyance Option), to obligate Owner to pay to Declarant sixty (60) days after written demand or upon such approved Conveyance, as the case may be, the then market value for the Property computed as described below, together with interest thereon at the Default Rate from and after the occurrence of any such event until the date of actual payment. No failure by Declarant to exercise its rights to require such payment, and no prior exercise of such as to a continuing or previous violation, shall constitute a waiver of Declarant's rights to require such payment at any later time or times while this Development Declaration is still in effect, and so long as any such violation may continue.

8.2 Determination of Market Value. The market value shall be the then "highest fair market value" of the Property and adding thereto Agreed Interest accruing from the date of occurrence of any such violation to the date of payment of such then market value: The then market value shall be due on the date of notification to Owner by Declarant or such later date as the "highest fair market value" is determined. As used herein, the term "highest fair market value" means the value of the Property (not including the value of any improvements constructed hereon) as mutually determined by the parties hereto, without taking into consideration any of the restrictive events or limitations imposed under this Development Declaration (but, instead, basing such value on the highest and best use for the Property under the applicable zoning ordinances). If the parties cannot so agree within twenty (20) days after written demand by Declarant, then the "highest fair market value" shall be as determined by an independent appraiser appointed by Declarant, who shall be a member of the American Institute of Real Estate Appraisers with at least five (5) years of experience appraising similar properties in Nevada. His decision in this matter shall be final and binding. All fees for such appraiser shall be borne equally by Declarant and Owner. . IT IS EXPRESSLY UNDERSTOOD AND AGREED BETWEEN DECLARANT AND OWNER (A) THAT THE PAYMENT OF THE THEN MARKET VALUE IS A REASONABLE ESTIMATE OF DAMAGES CONSIDERING ALL THE CIRCUMSTANCES EXISTING ON THE EFFECTIVE DATE OF THIS DEVELOPMENT DECLARATION, INCLUDING THE RELATIONSHIP OF SUCH SUM TO THE RANGE OF HARM THAT REASONABLY COULD BE ANTICIPATED AND THE ANTICIPATION THAT PROOF OF ACTUAL DAMAGES WOULD BE COSTLY OR INCONVENIENT, AND (B) THAT DECLARANT'S ACTUAL DAMAGES FOR ANY SUCH BREACH BY OWNER HEREUNDER WOULD BE SUBSTANTIAL BUT EXTREMELY DIFFICULT TO ASCERTAIN.

Article 9. Additional Purchase Price.

9.1 Enforcement of Mortgage Lien.

- (a) Creation of Mortgage Lien. Purchaser hereby mortgages the Property (or portion thereof which is being rezoned, used, developed, transferred or otherwise affected in violation of the Restrictions described in this Section) to Declarant with power of sale for the purpose of securing any or all increments of additional purchase price described in this Article and any additional advances by Declarant pursuant to Section 6.9 above.
- (b) Power of Sale. In the event Owner fails to pay all or any portion of the indebtedness secured hereby within ten (10) days after written demand from Declarant, setting forth the amount of any such indebtedness upon determination as provided hereinabove, then Declarant may immediately declare a default hereunder and cause a written notice of default (herein, "Notice of Default") and election to sell the Property and all Improvements thereon to be prepared and Recorded. After three (3) months or such shorter time as may be allowed by law shall have elapsed from the Recordation of such Notice of Default, and after a notice of sale has been given to the extent required by the then applicable law, Declarant, without further legal action or demand on Owner, may cause the Property and Improvements thereon to be sold at such time and place as may be fixed in said notice of sale or at such time and place to which the sale may be postponed as hereinafter provided without additional notice, either as a whole or in separate parcels, and in such order as Declarant alone may determine, at public auction to the highest bidder for cash in lawful money of the United States at the time of sale, or upon such other terms as Declarant may consider advisable. Owner shall have no right to direct or determine whether the Property shall be sold as a whole or in separate parcels, or the order of sale of separate parcels or the portion of the Property to be sold if only a portion is sold. Declarant may postpone the sale of the Property by public announcement thereof at the time and place of sale and from time to time thereafter by public announcement at the time and place of the preceding postponement. In conducting or postponing any such sale, Declarant may act through its agents, officers or employees or any other person designated by Declarant, whether or not such party shall be a licensed auctioneer. At such sale, Declarant shall cause to be delivered to the buyer or buyers, one or more duly executed deed or deeds conveying the property so sold, subject to all the provisions of this Development Declaration, but without any covenant or warranty, either express or implied. The recitals in such deed or deeds with regard to any matters of fact shall be conclusive proof of the truthfulness thereof against the Owner at such sale, its successors and assigns, and all other persons. Any person or entity, including without limitation Declarant, may bid in or purchase at such sale. Purchaser hereby agrees and any subsequent Owner agrees by accepting title to the Property, to surrender, immediately and without demand, possession of the Property to the buyer at such sale. No such sale shall release or extinguish any rights, remedies or provisions contained in this Development Declaration in the event of any further violation of any Restriction set forth herein. Notwithstanding the foregoing, if Owner's default is timely cured in accordance with this Development Declaration or applicable law, Declarant shall, upon request by Owner, Record at Owner's expense an appropriate notice of rescission in accordance with the applicable provisions of the Nevada Revised Statutes.

9.2 Application of Proceeds. Declarant shall apply the proceeds of such sale in the following manner and order:

- (a) Expenses of such sale and all costs, fees, charges and expenses of Declarant, including costs of evidence of title and reasonable attorneys' fees;

- (b) All sums secured hereby; and
- (c) The remainder, if any, to the person or persons legally entitled thereto.

9.3 Foreclosure by Court Action. In addition to the foregoing, Declarant may foreclose the lien created hereby by court action in the manner provided by the laws then applicable to this indenture, in which case Purchaser agrees to pay all costs and expenses thereof, including reasonable attorneys' fees as the court may determine.

9.4 Further Amounts Secured. All interest, fees, costs and expenses required to be paid by Owner hereunder shall also be secured by this Development Declaration, but the combination of all such required interest shall not exceed the maximum rate permitted by law. In the event that only a portion of the Property (or portion thereof which is being rezoned, used, developed, transferred or otherwise affected in violation of the Restrictions) is the subject of a sale or foreclosure action by Declarant hereunder, the lien of this Development Declaration shall continue to attach to all other portions of the Property which are subject to the lien hereof at the time of such sale or foreclosure.

9.5 Notice of Sale. Purchaser hereby requests that copies of the Notice of Default and any notice of sale hereunder be mailed to it at the address set forth below in Section 14.10. Purchaser agrees that any such notice or demand shall be deemed fully given to Purchaser if mailed to it by registered mail at such address, or any more recent address delivered to Declarant as provided below.

9.6 Termination of Lien. The lien created hereby shall terminate with respect to all of the Property on a date sixty (60) years from the Recordation Date, provided that all sums secured hereby have been paid, or at such earlier time as Declarant in its sole option and discretion may release all or portions of the Property from the lien hereof by causing a quitclaim, release or other appropriate instrument executed by Declarant to be Recorded in the Office of the Recorder of Clark County, Nevada.

9.7 Payment for Statement of Obligations. Owner shall, in addition to all other payments specified herein, pay to Declarant the sum of Fifteen Dollars (\$15.00) for each statement requested by Owner regarding the obligation secured by this Development Declaration except for any such statements as are exempt from charge by virtue of the laws of the State of Nevada.

9.8 Waiver of the Statute of Limitations. To the maximum extent permitted by law, Purchaser expressly waives the benefit of and the right to plead and in any way take advantage of any and all statutes of limitation, both as to the indebtedness secured hereby or any other provision hereof, and Purchaser will upon request of Declarant execute and acknowledge (if necessary) further written extensions or waivers of the applicable statutes of limitations with respect to payment of any indebtedness secured hereby and interest thereon.

Article 10. Declarant's Reconveyance Option.

10.1 Option to Reconveyance the Property. In recognition of Declarant's interest in the expeditious development of the Property, Purchaser hereby grants to Declarant the irrevocable, exclusive right and option ("Reconveyance Option") to cause Purchaser to reconvey the Property for the breach or violation of Owner's obligations set forth in Section 7.1 and Section 5.1. The Reconveyance Option shall be exercised as provided below.

10.2 Exercise of Reconveyance Option. Declarant may exercise its Reconveyance Option by giving written notice to Owner thereof:

- (a) within ninety (90) days after Declarant receives actual notice of Owner's violation of section 5.1. ; or
- (b) within ninety (90) days following the occurrence of any of the events of default described in Section 7.1, which is not cured within thirty (30) days after written notice from Declarant to do so. No failure of Declarant to exercise its Reconveyance Option upon Owner's failure to commence construction as provided above shall constitute a waiver of its right to exercise the Reconveyance Option upon Owner's failure to complete construction and/or satisfy the Completion Requirement, Occupancy Requirement or Continuous Use Requirement.

10.3 Title Condition. Upon Declarant's Reconveyance, the Property shall be subject only to:

- (a) Current taxes not yet delinquent;
- (b) Matters affecting title which exist as of the Recordation Date, or which are created, made, assumed, consented to or requested by Declarant, its successors or assigns; and
- (c) Noninterfering easements for utilities used in connection with the buildings and other improvements constructed on the Property.

In the event any other matters or encumbrances exist or otherwise affect title, Declarant shall have the right to deduct from the Reconveyance Price at the close of escrow an amount, to be reasonably determined by Declarant, as sufficient to discharge such matters or to reimburse Declarant for any costs or expenses to be incurred by Declarant in connection with such matters.

10.4 Restoration Costs.

- (a) Within ten (10) days after Declarant's exercise of its Reconveyance Option, Declarant shall submit to Owner a list of improvements on the Property which are usable to Declarant for the purposes to which Declarant plans to devote the Property (the "Usable Improvements"). Within thirty (30) days of receipt of such list, Owner shall inform Declarant of Owner's costs of the Usable Improvements. Declarant and Owner shall consult in good faith with one another for the purpose of arriving at an agreement concerning such costs. The costs of the Usable Improvements either as stated by Owner, or as determined pursuant to Section 10.5, less depreciation computed on a straight line basis, shall be added to the Reconveyance Price described in Section 10.5.
- (b) Within ninety (90) days after Declarant's exercise of its Reconveyance Option, Owner at its sole cost and expense shall restore the Property to at least as good condition as existed at the date of this Development Declaration and shall remove from the Property all structures, buildings, pavings, landscaping and other improvements except the Usable improvements (collectively, the "Other Improvements") installed by Owner and all materials of whatever nature deposited at any time hereafter upon the Property. All such work shall be accomplished to the sole but reasonable satisfaction of Declarant. If such Other Improvements are not so removed and the Property so restored, then Declarant at any time prior to Closing may accomplish such matters and shall be entitled to a credit against the Reconveyance Price in an amount equal to the cost of accomplishing such matters. Any Improvements not so removed by Owner

within such ninety (90) day period shall automatically become the property of Declarant without the payment of further consideration and without the necessity of any further conveyance or bill of sale.

10.5 Reconveyance Price. Declarant's purchase price for the Property (the "Reconveyance Price") upon its exercise of the Reconveyance Option provided above, shall be the sum of :

- (a) The amount of Purchaser's original costs of acquiring the Property such as escrow fees, title insurance and Recording costs, documentary transfer tax, legal fees and any other closing costs, plus
- (b) The actual direct costs incurred by Owner in constructing the Usable Improvements, if any, on the Property.

10.6 Reconveyance Escrow Terms. Within five (5) days after Declarant's exercise of the option as provided above or as soon thereafter as possible, an escrow shall be created at Stewart Title of Nevada or another escrow company selected by Declarant to consummate the purchase as specified herein, which escrow shall have a time limit of thirty (30) days. Said escrow shall be subject only to approval by Declarant of a then current preliminary title report. Any exceptions shown thereon created after the date hereof, and disapproved by written notice to Owner through escrow, shall be removed by Owner at its sole expense at or prior to closing of escrow. In the event that the Property or any portion thereof is encumbered by a mortgage or deed of trust to which Declarant has subordinated this Option, Declarant may instruct the escrow agent to satisfy the indebtedness secured thereby out of the proceeds payable to Owner through the foregoing escrow. Owner and Declarant shall each pay one-half of the escrow fees; Owner shall pay for documentary tax stamps, for Recording the deed, and for an ALTA extended coverage form owner's policy of title insurance in the amount of the purchase price showing title to the Property vested in Declarant or its assigns free and clear of all liens, encumbrances or other title exceptions other than those set forth in this Development Declaration. Any other costs or expenses shall be allocated between the parties in the manner customary in Clark County, Nevada.

10.7 Other Defaults. Should Owner at any time prior to expiration of the Reconveyance Option commit any act of bankruptcy, or be adjudicated a bankrupt or insolvent, whether voluntarily or involuntarily, or transfer the Property or any portion thereof by operation of law under legal process pursuant to receivership or bankruptcy, or make an assignment for benefit of creditors, then Declarant in its sole discretion may, in addition to any other rights or remedies available to it, exercise the Reconveyance Option at any time prior to expiration of the Reconveyance Option, in the manner provided for herein.

10.8 Binding Effect. The Reconveyance Option shall be binding upon and shall inure to the benefit of the respective successors in interest to the parties hereto.

10.9 Declarant's Remedies. In the event Declarant exercises the Reconveyance Option provided herein and Owner shall fail or refuse to reconvey the Property in accordance with the terms of this Development Declaration, Declarant shall be entitled to pursue any remedy available to it at law or equity, including the right to seek specific performance of Owner's obligations hereunder.

Article 11. RESERVED.

Article 12. Assignment.

12.1 Assignment. Any and all of the rights, powers, and reservations of Declarant herein contained may be assigned to any person, partnership, corporation, or association that will assume the duties of Declarant pertaining to the particular rights, powers and reservations assigned, and upon any such person, partnership, corporation, or association evidencing its consent in writing to accept such assignment and assume such duties, he or it shall, to the extent of such assignment, have the same rights and powers and be subject to the same obligations and duties as are given to and assumed by Declarant herein provided that Declarant shall, at least ten (10) days prior to such assignment becoming effective, deliver notice to Owner. Any assignment or appointment made under this Article shall be in reasonable form and shall be Recorded.

Without limiting the generality of the preceding paragraph, Declarant shall have the right in its sole discretion to assign all or part of its rights under this Development Declaration to the Master Association. In the event of such an assignment, the Master Association shall have the right to enforce those rights assigned to the Master Association by Declarant against Owner, its successor and assigns.

Article 13 RESERVED.

Article 14. Miscellaneous.

14.1 Constructive Notice and Acceptance. Every person or entity who now or hereafter owns, occupies, or acquires any right, title, or interest in or to any portion of the Property is and shall be conclusively deemed to have consented and agreed to every covenant, condition, and Restriction contained herein, whether or not any reference to this Development Declaration is contained in the instrument by which such person acquired an interest in the Property.

14.2 Waiver. Neither Declarant nor its successors or assigns shall be liable to any Owner or Occupant of the Property by reason of any mistake in judgment, negligence, nonfeasance, action, or inaction or for the enforcement or failure to enforce any provision of this Development Declaration. Every Owner or Occupant of any of said property by acquiring its interest therein agrees that it will not bring any action or suit against Declarant to recover any such damages or to seek equitable relief because of same.

14.3 Declarant's Right to Terminate Development Declaration. Upon the acquisition of all or portions of the Property by Declarant by or through any operation of law or instrument of transfer, Declarant shall have the right in its sole discretion to terminate this Development Declaration and release such portions or all of the Property from the covenants and Restrictions of this Development Declaration, by executing and Recording an instrument to such effect, in which event the covenants and Restrictions shall be forever terminated and extinguished.

14.4 Runs with Land. The Restrictions shall run with and bind the Property and shall inure to the benefit of and be enforceable by Declarant and its successors and assigns for a term of sixty (60) years from the Recordation Date, unless terminated earlier in accordance with the terms of Section 14.3 above. As used in the preceding sentence, the term "successors and assigns" means and refer to both (a) Declarant's successors and assigns as provided in Section 12.1, and (b) Declarant's successors and assigns as to all or substantially all of Declarant's assets or by merger, consolidation, or other corporate reorganization.

14.5 Rights of Mortgagees. No breach or violation of the Restrictions shall defeat or render invalid the lien of any mortgage, Deed of Trust or similar instrument securing a loan made in good faith and for value with respect to the development or permanent financing of the Property or any portion thereof. Declarant agrees to enter into any subordination agreement requested by a lender under any such deed of trust or mortgage, subject to Declarant's approval of such subordination agreement provided that such approval shall not be unreasonably withheld. However, this Development Declaration and all provisions hereof shall be binding upon and effective against any subsequent Owner and its successors and assigns or other Occupant of the Property or portion thereof whose title is acquired by foreclosure, trustee's sale, deed in lieu of foreclosure or otherwise, but such subsequent Owner shall have a reasonable period of time after taking title to cure any violation hereunder that is reasonably capable of being cured, provided that such subsequent Owner diligently acts to effect such cure.

14.6 Captions. The captions of Articles and Sections herein are used for convenience only and are not intended to be a part of this Development Declaration or in other way to define, limit, or describe the scope and intent of the particular Article or Section to which they refer.

14.7 Effect of Invalidation. If any provision of this Development Declaration is held to be invalid by any court, the invalidity of such provision shall not affect the validity of the remaining provisions hereof.

14.8 Amendments. Except as provided in this Development Declaration concerning the addition of or substitution for other real property as the Benefitted Property, or concerning the assignment by Declarant of its rights under this Development Declaration, this Development Declaration may only be amended by a writing executed by Declarant and the Record owner of the Property which shall be Recorded against the Property.

14.9 Force Majeure. The time period for the performance of any non-monetary obligation under this Development Declaration shall be extended for any period that such performance is delayed or becomes impossible due to any Act of God, war, civil insurrection, riot, earthquake, fire, weather, sickness, accident, epidemic, act of government or government regulation, general or sympathetic strike or lockout, unavailability of labor or materials, or any other cause beyond the control of a party to this Development Declaration.

14.10 Notices. All notices or other communications between Declarant and Owner required or permitted hereunder shall be in writing and personally delivered or sent by certified United States mail, return receipt requested, postage prepaid, to the following address (until a notice of change thereof shall have been delivered as provided in this Section) or by facsimile copy to the number set forth below:

14.12 Adjacent Development. Purchaser acknowledges that one or more commercial and retail projects may be developed by Declarant or others in the immediate vicinity of the Property. Applicable ordinances of the City of Las Vegas may require that special use permits or other discretionary approvals are required in connection with the development of these projects. In the event Declarant or a subsequent developer of any such projects seeks any special use permits or other discretionary approvals from the City of Las Vegas or other governmental agency, including without limitation, any application for restricted or non-restricted gaming licenses or location approvals or liquor licenses or rezoning or any other similar approval, Purchaser agrees it shall not oppose such development or such approval and hereby waives any claim against Declarant, its affiliates and successors and their respective officers, directors, agents and employees arising out of the location or development of such facilities. Purchaser acknowledges and agrees that the foregoing covenant is an essential part of the bargain between Declarant and Purchaser and that Declarant would not have agreed to convey the Property to Purchaser for the intended purpose thereof without such agreement by Purchaser and that in the event Purchaser violates such agreement Declarant will be substantially and irrevocably damaged.
